Enclosed you will find bills totalling \$1,254 covering plumbing services to respond to raw sewage backup across half my basement floor. After we could find no source in our lines, it was discovered by City evaluation that there was a broken and obstructing connection at the main sewer line. I am therefore forwarding these bills for reimbursement. The problem was at the City line, not mine.

Please let me know if you have any questions. Please send me notice that you have received this letter and an approximate time to expect reimbursement. Thank you.
